

# VISTA EXPLODIDA

S.N	Appellation	qty
001	back hanging board	1
002	copper pipe Platen1	2
003	basis components	1
004	copper pipe Platen2	1
005	motor protect shell	1
006	fan motor	1
007	Cross Flow Fan	1
008	Cross Flow Fan bearing components	1
009	room heat exchanger assembly	1
010	coil temperature sensor	1
011	basis of temperature sensor	1
012	air return temperature sensor	1
013	condensation tray assembly	1
014	step by step motor	1
015	wind guide bar	1
006	Insulated condensation drain pipe	1
017	middle frame assembly	1
018	screw cover	3
019	filter frame	2
020	Activated carbon electrostatic filter	1
021	Photocatalyst filter	1
022	filter net	2
023	Panel	1
024	control board	1
025	electrical box cover	1
026	front electrical box	1
027	Indicator light frame	1
028	Electrical box cover	1
029	terminal board	1
030	transformer	1
031	electrical box assembly	1
032	remote controller	1
033	battery	1
